DON'T FORGET ABOUT

CLINICAL TRIALS

PARTICIPATION IN CLINICAL TRIALS IS IMPORTANT

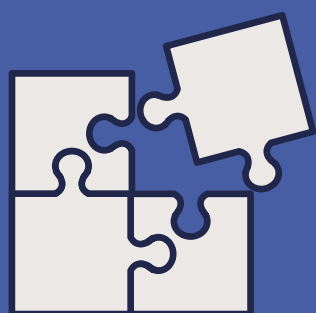

Even with a vaccines available, clinical trials help find effective treatments for those infected, and follow long-term complications.

WHERE CAN YOU START?

COMBAT COVID

Combat COVID is a resource created by the U.S. Dept. of Health and Human Services to help people join COVID-19 clinical trials and to provide science-based facts on vaccines, treatment, and studies.

<https://combatcovid.hhs.gov/>

YOU OR SOMEONE YOU KNOW MAY BE ELIGIBLE

Breakthrough cases, those infected and were hospitalized, those infected but did not seek treatment; all of these people and more are eligible for active studies and can help.

CLICK HERE TO EXPLORE CLINICAL TRIALS

All studies with Combat COVID are part of partnership of called Accelerating COVID-19 Therapeutic Interventions and Vaccines (ACTIV). ACTIV's goal is to discover safe and effective treatments and vaccines.
