WE CAN DO THIS

Update Your COVID-19 Vaccination Protection

COVID vaccines continue to work very well at preventing severe illness, hospitalization, and death.

Updated COVID vaccines are here for everyone 5 or older to help protect against Omicron.

It doesn't matter which COVID vaccine you got or how many boosters you've already gotten.

Get your updated vaccine 2 months after your last dose.

Find free vaccines near you

- Visit vaccines.gov
- Text your ZIP code to 438829
- Call 1-800-232-0233
